On January 21, 2016, Dr. Judith McKay gave a presentation on *Conflict Analysis and Resolution between Family Members*. The event was held at the Jewish Community Center (JCC) in Palm Beach Gardens, FL., and was open to NSU family (Faculty, Staff and students) and members of the JCC in Palm Beach Gardens.

It seems the whole world is in conflict. Can it be resolved before it escalates? If we can't resolve our personal relationship problems within our family, how can we cope with global problems? Let's start small, in our own backyard and see if we can develop some conflict resolution skills that will work for us.
