The course will provide an opportunity for the enhancement of subject matter knowledge and expertise.

MACS 5501 – Directed Readings in Narrative and Community Development

This course examines specific aspects of the use of narrative and the role it plays in community development. It is designed so it may be taken as an independent study or with a small group of students so topics of individual research interest in this area may be pursued. Under the instructor's guidance, the directed readings, the final project, and any other assignments will be set forth. The course will provide an opportunity for the enhancement of subject matter knowledge and expertise.

MACS 5502 – Directed Readings in National Security Affairs

This course examines specific aspects of national security affairs. It is designed so it may be taken as an independent study or with a small group of students so topics of individual research interest in this area may be pursued. Under the instructor's guidance, the directed readings, the final project, and any other assignments will be set forth. The course will provide an opportunity for the enhancement of subject matter knowledge and expertise.

MACS 5503 – Directed Readings in African American Studies

This course examines specific aspects of the African American experience in the United States. It is designed so it may be taken as an independent study or with a small group of students so topics of individual research interest in this area may be pursued. Under the instructor's guidance, the directed readings, the final project, and any other assignments will be set forth. The course will provide an opportunity for the enhancement of subject matter knowledge and expertise.

MACS 5504 – Directed Readings in Native American Studies

This course examines specific aspects of the Native American experience in the United States.. It is designed so it may be taken as an independent study or with a small group of students so topics of individual research interest in this area may be pursued. Under the instructor's guidance, the directed readings, the final project, and any other assignments will be set forth. The course will provide an opportunity for the enhancement of subject matter knowledge and expertise.

MACS 5505 – Directed Readings in Sociology

This course examines specific aspects of sociology and the role of social groups. It is designed so it may be taken as an independent study or with a small group of students so topics of individual research interest in this area may be pursued. Under the instructor's guidance, the directed readings, the final project, and any other assignments will be set forth. The course will provide an opportunity for the enhancement of subject matter knowledge and expertise.

MACS 5506 – Directed Readings in Anthropology

This course examines specific aspects of anthropology and the study of the human experience. It is designed so it may be taken as an independent study or with a small group of students so topics of individual research interest in this area may be pursued. Under the instructor's guidance, the directed readings, the final project, and any other assignments will be set forth. The course will provide an opportunity for the enhancement of subject matter knowledge and expertise.

MACS 5507 – Directed Readings in Public Policy

This course examines specific aspects of public policy. It is designed so it may be taken as an independent study or with a small group of students so topics of individual research interest in this area may be pursued. Under the instructor's guidance, the directed readings, the final project, and any other assignments will be set forth. The course will provide an opportunity for the enhancement of subject matter knowledge and expertise.

MACS 5508 – Directed Readings in Gender

This course examines specific aspects of gender. It is designed so it may be taken as an independent study or with a small group of students so topics of individual research interest in this area may be pursued. Under the instructor's guidance, the directed readings, the final project, and any other assignments will be set forth. The course will provide an opportunity for the enhancement of subject matter knowledge and expertise.

MACS 5509 – Directed Readings in Diversity

This course examines specific aspects of diversity. It is designed so it may be taken as an independent study or with a small group of students so topics of individual research interest in this area may be pursued. Under the instructor's guidance, the directed readings, the final project, and any other assignments will be set forth. The course will provide an opportunity for the enhancement of subject matter knowledge and expertise.

MACS 5510 – Directed Readings in Environmental Studies

This course examines specific aspects of environmental studies. It is designed so it may be taken as an independent study or with a small group of students so topics of individual research interest in this area may be pursued. Under the instructor's guidance, the directed readings, the final project, and any other assignments will be set forth. The course will provide an opportunity for the enhancement of subject matter knowledge and expertise.

MACS 5511 – Directed Readings in Children, Youth and Families

This course examines specific aspects of children, youth and families. It is designed so it may be taken as an independent study or with a small group of students so topics of individual research interest in this area may be pursued. Under the instructor's guidance, the directed readings, the final project, and any other assignments will be set forth. The course will provide an opportunity for the enhancement of subject matter knowledge and expertise.

MACS 5512 – Directed Readings in Crime and Society

This course examines specific aspects of crime and its impact on society. It is designed so it may be taken as an independent study or with a small group of students so topics of individual research interest in this area may be pursued. Under the instructor's guidance, the directed readings, the final project, and any other assignments will be set forth. The course will provide an opportunity for the enhancement of subject matter knowledge and expertise.

MACS 5513 – Directed Readings in Poetry

This course examines specific aspects of poetry. It is designed so it may be taken as an independent study or with a small group of students so topics of individual research interest in this area may be pursued. Under the instructor's guidance, the directed readings, the final project, and any other assignments will be set forth. The course will provide an opportunity for the enhancement of subject matter knowledge and expertise.

MACS 5514 – Directed Readings in Transformational Poetry

This course examines specific aspects of poetry and its use as a means of transformation. It is designed so it may be taken as an independent study or with a small group of students so topics of individual research interest in this area may be pursued. Under the instructor's guidance, the directed readings, the final project, and any other assignments will be set

forth. The course will provide an opportunity for the enhancement of subject matter knowledge and expertise.

MACS 5515 – Directed Readings in Short Stories

This course examines specific aspects of the short story. It is designed so it may be taken as an independent study or with a small group of students so topics of individual research interest in this area may be pursued. Under the instructor's guidance, the directed readings, the final project, and any other assignments will be set forth. The course will provide an opportunity for the enhancement of subject matter knowledge and expertise.

MACS 5516 – Directed Readings in Philosophy

This course examines specific aspects of philosophy. It is designed so it may be taken as an independent study or with a small group of students so topics of individual research interest in this area may be pursued. Under the instructor's guidance, the directed readings, the final project, and any other assignments will be set forth. The course will provide an opportunity for the enhancement of subject matter knowledge and expertise.

MACS 5517 – Directed Readings in Family Violence and Society

This course examines specific aspects of family violence and its impact on individuals, families, and society. It is designed so it may be taken as an independent study or with a small group of students so topics of individual research interest in this area may be pursued. Under the instructor's guidance, the directed readings, the final project, and any other assignments will be set forth. The course will provide an opportunity for the enhancement of subject matter knowledge and expertise.

MACS 5518 – Directed Readings in Creative Writing

This course examines specific aspects of creative writing and the writing process. It is designed so it may be taken as an independent study or with a small group of students so topics of individual research interest in this area may be pursued. Under the instructor's guidance, the directed readings, the final project, and any other assignments will be set forth. The course will provide an opportunity for the enhancement of subject matter knowledge and expertise.

MACS 5519 – Directed Readings in Political Science

This course examines specific aspects of political science. It is designed so it may be taken as an independent study or with a small group of students so topics of individual research interest in this area may be pursued. Under the instructor's guidance, the directed readings, the final project, and any other assignments will be set forth. The course will provide an opportunity for the enhancement of subject matter knowledge and expertise.

MACS 5520 – Directed Readings in Fantasy Fiction and Society

This course examines specific aspects of fantasy fiction and how it may be used to depict various social issues. It is designed so it may be taken as an independent study or with a small group of students so topics of individual research interest in this area may be pursued. Under the instructor's guidance, the directed readings, the final project, and any other assignments will be set forth. The course will provide an opportunity for the enhancement of subject matter knowledge and expertise.

MACS 5521 – Directed Readings in African Studies

This course examines specific aspects related to Africa. It is designed so it may be taken as an independent study or with a small group of students so topics of individual research interest in this area may be pursued. Under the instructor's guidance, the directed readings, the final project and any other assignments will be set forth. The course will provide an opportunity for the enhancement of subject matter knowledge and expertise.

MACS 5522 – Directed Readings in Multiculturalism

This course examines specific aspects of multiculturalism. It is designed so it may be taken as an independent study or with a small group of students so topics of individual research interest in this area may be pursued. Under the instructor's guidance, the directed readings, the final project, and any other assignments will be set forth. The course will provide an opportunity for the enhancement of subject matter knowledge and expertise.

MACS 5523 – Directed Readings in Communication

This course examines specific aspects of communication. It is designed so it may be taken as an independent study or with a small group of students so topics of individual research interest in this area may be pursued. Under the instructor's guidance, the directed readings, the final project, and any other assignments will be set forth. The course will provide an opportunity for the enhancement of subject matter knowledge and expertise.

MACS 5524 – Directed Readings in African Diaspora

This course examines specific aspects of the African Diaspora. It is designed so it may be taken as an independent study or with a small group of students so topics of individual research interest in this area may be pursued. Under the instructor's guidance, the directed readings, the final project, and any other assignments will be set forth. The course will provide an opportunity for the enhancement of subject matter knowledge and expertise.

MACS 5526 – Directed Readings in Asian Studies

This course examines specific aspects related to Asia. It is designed so it may be taken as an independent study or with a small group of students so topics of individual research interest in this area may be pursued. Under the instructor's guidance, the directed readings, the final project, and any other assignments will be set forth. The course will provide an opportunity for the enhancement of subject matter knowledge and expertise.

MACS 5527 – Directed Readings in Latin American Studies

This course examines specific aspects related to Latin America. It is designed so it may be taken as an independent study or with a small group of students so topics of individual research interest in this area may be pursued. Under the instructor's guidance, the directed readings, the final project, and any other assignments will be set forth. The course will provide an opportunity for the enhancement of subject matter knowledge and expertise.

MACS 5528 – Directed Readings in Middle Eastern Society

This course examines specific aspects related to the Middle East. It is designed so it may be taken as an independent study or with a small group of students so topics of individual research interest in this area may be pursued. Under the instructor's guidance, the directed readings, the final project, and any other assignments will be set forth. The course will provide an opportunity for the enhancement of subject matter knowledge and expertise.

MACS 5529 – Directed Readings in Caribbean Studies

This course examines specific aspects related to the Caribbean region. It is designed so it may be taken as an independent study or with a small group of students so topics of individual research interest in this area may be pursued. Under the instructor's guidance, the directed readings, the final project, and any other assignments will be set forth. The course will provide an opportunity for the enhancement of subject matter knowledge and expertise.

MACS 5530 – Directed Readings in Social Justice

This course examines specific aspects related to social justice. It is designed so it may be taken as an independent study or with a small group of students so topics of individual research interest in this area may be pursued. Under the instructor's guidance, the directed readings, the final project, and any other assignments will be set forth. The course will provide an opportunity for the enhancement of subject matter knowledge and expertise.

MACS 5531 – Directed Readings in Humanitarian Relief

This course examines specific aspects related to humanitarian relief across the globe. It is designed so it may be taken as an independent study or with a small group of students so topics of individual research interest in this area may be pursued. Under the instructor's guidance, the directed readings, the final project, and any other assignments will be set forth. The course will provide an opportunity for the enhancement of subject matter knowledge and expertise.

MACS 5532 – Directed Readings in Human Rights

This course examines specific aspects related to human rights domestically or internationally. It is designed so it may be taken as an independent study or with a small group of students so topics of individual research interest in this area may be pursued. Under the instructor's guidance, the directed readings, the final project, and any other assignments will be set forth. The course will provide an opportunity for the enhancement of subject matter knowledge and expertise.

MACS 5533 – Directed Readings in Economics

This course examines specific aspects related to economics. It is designed so it may be taken as an independent study or with a small group of students so topics of individual research interest in this area may be pursued. Under the instructor's guidance, the directed readings, the final project, and any other assignments will be set forth. The course will provide an opportunity for the enhancement of subject matter knowledge and expertise.

MACS 5534 – Directed Readings in Economic Development

This course examines specific aspects related to economic development. It is designed so it may be taken as an independent study or with a small group of students so topics of individual research interest in this area may be pursued. Under the instructor's guidance, the directed readings, the final project, and any other assignments will be set forth. The course will provide an opportunity for the enhancement of subject matter knowledge and expertise.

MACS 5535 – Directed Readings in Community Development

This course examines specific aspects of community development. It is designed so it may be taken as an independent study or with a small group of students so topics of individual research interest in this area may be pursued. Under the instructor's guidance, the directed readings, the final project, and any other assignments will be set forth. The course will provide an opportunity for the enhancement of subject matter knowledge and expertise.

MACS 5536 – Directed Readings in International Development

This course examines specific aspects of international development. It is designed so it may be taken as an independent study or with a small group of students so topics of individual research interest in this area may be pursued. Under the instructor's guidance, the directed readings, the final project, and any other assignments will be set forth. The course will provide an opportunity for the enhancement of subject matter knowledge and expertise.

MACS 5537 – Directed Readings in Intelligence and Counterintelligence

This course examines specific aspects related to intelligence and counterintelligence as related to national and international security. It is designed so it may be taken as an independent study or with a small group of students so topics of individual research interest in this area may be pursued. Under the instructor's guidance, the directed readings, the final project, and any other assignments will be set forth. The course will provide an opportunity for the enhancement of subject matter knowledge and expertise.

MACS 5538 – Directed Readings in Homeland Security

This course examines specific aspects related to homeland security. It is designed so it may be taken as an independent study or with a small group of students so topics of individual

research interest in this area may be pursued. Under the instructor's guidance, the directed readings, the final project, and any other assignments will be set forth. The course will provide an opportunity for the enhancement of subject matter knowledge and expertise.

MACS 5539 – Directed Readings in History

This course examines specific aspects related to history. It is designed so it may be taken as an independent study or with a small group of students so topics of individual research interest in this area may be pursued. Under the instructor's guidance, the directed readings, the final project, and any other assignments will be set forth. The course will provide an opportunity for the enhancement of subject matter knowledge and expertise.

MACS 5540 – Directed Readings in American History

This course examines specific aspects related to American history. It is designed so it may be taken as an independent study or with a small group of students so topics of individual research interest in this area may be pursued. Under the instructor's guidance, the directed readings, the final project, and any other assignments will be set forth. The course will provide an opportunity for the enhancement of subject matter knowledge and expertise.

MACS 5541 – Directed Readings in Religion and Society

This course examines specific aspects related to religion and its impact and role in society. It is designed so it may be taken as an independent study or with a small group of students so topics of individual research interest in this area may be pursued. Under the instructor's guidance, the directed readings, the final project, and any other assignments will be set forth. The course will provide an opportunity for the enhancement of subject matter knowledge and expertise.

MACS 5542 – Directed Readings in Spirituality and Society

This course examines specific aspects related to society and its impact and role in society. It is designed so it may be taken as an independent study or with a small group of students so topics of individual research interest in this area may be pursued. Under the instructor's guidance, the directed readings, the final project, and any other assignments will be set forth. The course will provide an opportunity for the enhancement of subject matter knowledge and expertise.

MACS 5543 – Directed Readings in Genocide

This course examines specific aspects related to genocide and its causes and impact on society. It is designed so it may be taken as an independent study or with a small group of students so topics of individual research interest in this area may be pursued. Under the instructor's guidance, the directed readings, the final project, and any other assignments will be set forth. The course will provide an opportunity for the enhancement of subject matter knowledge and expertise.

MACS 5544 – Directed Readings in Writing and Art

This course examines specific aspects of writing and the writer's relationship with artists and their work. It is designed so it may be taken as an independent study or with a small group of students so topics of individual research interest in this area may be pursued. Under the instructor's guidance, the directed readings, the final project, and any other assignments will be set forth. The course will provide an opportunity for the enhancement of subject matter knowledge and expertise.

MACS 5545 – Directed Readings in Slavery

This course examines specific aspects related to slavery, including its causes and impact on society. It is designed so it may be taken as an independent study or with a small group of students so topics of individual research interest in this area may be pursued. Under the instructor's guidance, the directed readings, the final project, and any other assignments

will be set forth. The course will provide an opportunity for the enhancement of subject matter knowledge and expertise.

MACS 5546 – Directed Readings in Human Trafficking

This course examines specific aspects related to human trafficking, including causes, social, political, and economic implications and the effects on society. It is designed so it may be taken as an independent study or with a small group of students so topics of individual research interest in this area may be pursued. Under the instructor's guidance, the directed readings, the final project, and any other assignments will be set forth. The course will provide an opportunity for the enhancement of subject matter knowledge and expertise.

MACS 5547 – Directed Readings in Tribal Dynamics

This course examines specific aspects related to tribal dynamics. It is designed so it may be taken as an independent study or with a small group of students so topics of individual research interest in this area may be pursued. Under the instructor's guidance, the directed readings, the final project, and any other assignments will be set forth. The course will provide an opportunity for the enhancement of subject matter knowledge and expertise.

MACS 5548 – Directed Readings in Islam and the State

This course examines specific aspects related to Islam and the State. It is designed so it may be taken as an independent study or with a small group of students so topics of individual research interest in this area may be pursued. Under the instructor's guidance, the directed readings, the final project, and any other assignments will be set forth. The course will provide an opportunity for the enhancement of subject matter knowledge and expertise.

MACS 5549 – Directed Readings in Environmental and Governmental Affairs

This course examines specific aspects related to the environment and governmental affairs. It is designed so it may be taken as an independent study or with a small group of students so topics of individual research interest in this area may be pursued. Under the instructor's guidance, the directed readings, the final project, and any other assignments will be set forth. The course will provide an opportunity for the enhancement of subject matter knowledge and expertise.

MACS 5550 – Directed Readings in Pre-Socratic Philosophy

This course examines specific aspects related to Pre-Socratic Philosophy. It is designed so it may be taken as an independent study or with a small group of students so topics of individual research interest in this area may be pursued. Under the instructor's guidance, the directed readings, the final project, and any other assignments will be set forth. The course will provide an opportunity for the enhancement of subject matter knowledge and expertise.

MACS 5551 – Directed Readings in Higher Education

This course examines specific aspects related to Higher Education. It is designed so it may be taken as an independent study or with a small group of students so topics of individual research interest in this area may be pursued. Under the instructor's guidance, the directed readings, the final project, and any other assignments will be set forth. The course will provide an opportunity for the enhancement of subject matter knowledge and expertise.

MACS 5552 – Directed Readings in Health

This course examines specific aspects related to the Health field. It is designed so it may be taken as an independent study or with a small group of students so topics of individual research interest in this area may be pursued. Under the instructor's guidance, the directed readings, the final project, and any other assignments will be set forth. The course will provide an opportunity for the enhancement of subject matter knowledge and expertise.

MACS 5553 – Directed Readings in Comparative Politics

This course examines specific aspects of comparative politics. It is designed so it may be taken as an independent study or with a small group of students so topics of individual research interest in this area may be pursued. Under the instructor's guidance, the directed readings, the final project, and any other assignments will be set forth. The course will provide an opportunity for the enhancement of subject matter knowledge and expertise.

MACS 5554 – Directed Readings in Compassion

This course examines specific aspects of compassion. It is designed so it may be taken as an independent study or with a small group of students so topics of individual research interest in this area may be pursued. Under the instructor's guidance, the directed readings, the final project, and any other assignments will be set forth. The course will provide an opportunity for the enhancement of subject matter knowledge and expertise.

MACS 5555 – Directed Readings in International Relations

This course examines specific aspects of world politics and is intended to give the student a better understanding of international relations and the complex issues and perspectives affecting the world community. It is designed so it may be taken as an independent study or with a small group of students so topics of individual research interest in this area may be pursued. Under the instructor's guidance, the directed readings, the final project, and any other assignments will be set forth. The course will provide an opportunity for the enhancement of subject matter knowledge and expertise.

MACS 5556 – Directed Readings in Education and Society

This course examines specific aspects of education and its impact and role in society. It is designed so it may be taken as an independent study or with a small group of students so topics of individual research interest in this area may be pursued. Under the instructor's guidance, the directed readings, the final project, and any other assignments will be set forth. The course will provide an opportunity for the enhancement of subject matter knowledge and expertise.

MACS 5557 – Directed Readings in Children, Education and Society

This course examines specific aspects of children and education and their impact and role in society. It is designed so it may be taken as an independent study or with a small group of students so topics of individual research interest in this area may be pursued. Under the instructor's guidance, the directed readings, the final project, and any other assignments will be set forth. The course will provide an opportunity for the enhancement of subject matter knowledge and expertise.

MACS 5558 – Directed Readings in Children and Society

This course examines specific aspects of children and their impact and role in society. It is designed so it may be taken as an independent study or with a small group of students so topics of individual research interest in this area may be pursued. Under the instructor's guidance, the directed readings, the final project, and any other assignments will be set forth. The course will provide an opportunity for the enhancement of subject matter knowledge and expertise.

MACS 5559 – Directed Readings in Grant Writing

This course examines specific aspects of grant writing. It is designed so it may be taken as an independent study or with a small group of students so topics of individual research interest in this area may be pursued. Under the instructor's guidance, the directed readings, the final project, and any other assignments will be set forth. The course will provide an opportunity for the enhancement of subject matter knowledge and expertise.

MACS 5560 – Directed Readings in Terrorism

This course examines specific aspects of terrorism. It is designed so it may be taken as an independent study or with a small group of students so topics of individual research interest in this area may be pursued. Under the instructor's guidance, the directed readings, the final project, and any other assignments will be set forth. The course will provide an opportunity for the enhancement of subject matter knowledge and expertise.

MACS 5561 – Directed Readings in Polygraph and Interview Techniques

This course examines specific aspects of polygraph and interview techniques. It is designed so it may be taken as an independent study or with a small group of students so topics of individual research interest in this area may be pursued. Under the instructor's guidance, the directed readings, the final project, and any other assignments will be set forth. The course will provide an opportunity for the enhancement of subject matter knowledge and expertise.

MACS 5562 – Directed Readings in Writing

This course examines specific aspects of writing and the writing process. It is designed so it may be taken as an independent study or with a small group of students so topics of individual research interest in this area may be pursued. Under the instructor's guidance, the directed readings, the final project, and any other assignments will be set forth. The course will provide an opportunity for the enhancement of subject matter knowledge and expertise.

MACS 5563 – Directed Readings in Non-Fiction

This course examines specific aspects of non-fiction writing and the writing process. It is designed so it may be taken as an independent study or with a small group of students so topics of individual research interest in this area may be pursued. Under the instructor's guidance, the directed readings, the final project, and any other assignments will be set forth. The course will provide an opportunity for the enhancement of subject matter knowledge and expertise.

MACS 5564 – Directed Readings in National Intelligence History

This course examines specific aspects of the history of national intelligence. It is designed so it may be taken as an independent study or with a small group of students so topics of individual research interest in this area may be pursued. Under the instructor's guidance, the directed readings, the final project, and any other assignments will be set forth. The course will provide an opportunity for the enhancement of subject matter knowledge and expertise.

MACS 5565 – Directed Readings in Critical Incidents in Intelligence/Counterintelligence

This course examines specific aspects of critical incidents in intelligence/counterintelligence. It is designed so it may be taken as an independent study or with a small group of students so topics of individual research interest in this area may be pursued. Under the instructor's guidance, the directed readings, the final project, and any other assignments will be set forth. The course will provide an opportunity for the enhancement of subject matter knowledge and expertise.

MACS 5566 – Directed Readings in Analysis of Open Source Intelligence

This course examines specific aspects of analyzing open source intelligence. It is designed so it may be taken as an independent study or with a small group of students so topics of individual research interest in this area may be pursued. Under the instructor's guidance, the directed readings, the final project, and any other assignments will be set forth. The course will provide an opportunity for the enhancement of subject matter knowledge and expertise.

MACS 5567 – Directed Readings in Museum Studies

This course examines specific aspects related to a museum and its operation. It is designed so it may be taken as an independent study or with a small group of students so topics of individual research interest in this area may be pursued. Under the instructor's guidance, the directed readings, the final project, and any other assignments will be set forth. The course will provide an opportunity for the enhancement of subject matter knowledge and expertise.

MACS 5568 – Directed Readings in Non-Profit Organizations

This course examines specific aspects related to non-profits and its operation. It is designed so it may be taken as an independent study or with a small group of students so topics of individual research interest in this area may be pursued. Under the instructor's guidance, the directed readings, the final project, and any other assignments will be set forth. The course will provide an opportunity for the enhancement of subject matter knowledge and expertise.
