

MACS Final Portfolio Project

The portfolio project is designed to demonstrate the cross-disciplinary perspective students acquired and honed in the program. Students will use the portfolio to present what they learned through their own personalized curriculum.

Portfolio Components

1. **Title Page**
2. A **3-5** page, double-spaced, narrative reflection that explains what the student feels they have gained from the program, and how they believe their completion of this program will serve them in the future.
3. **Two different papers or projects** that the student produced during the program coursework, that are most representative of their time in the program, are to be included. Each should be preceded with a brief introduction that lists the course name, semester, professor, and the assignment for which the project was produced. The assignment description may be brief and paraphrased.

Portfolio Submission

The portfolio should be **submitted** electronically to the Program Manager. Once the portfolio has been reviewed and approved by the Chair of the Department of Multidisciplinary Studies, and all other program requirements have been met, students will be instructed to apply for degree conferral.

Getting it done!

The department's aim is to assist you in achieving this final milestone. Here are some options for support.

1. **Weekly Write-Ins** – At the weekly writing groups, faculty, graduate, and professional students come together for dedicated time to focus on writing your dissertation, research, grants, or other projects. This writing group meets on Mondays from 6-8 pm in the Writing and Communication Center (Alvin Sherman Library, 430), and online via GoToMeeting. There, you will get assistance in writing and compiling your portfolio. If you bring your 2 papers or projects, you may be able to complete the entire portfolio in one session! <https://www.nova.edu/wcc/index.html>
2. **Meet with someone in the administrative office, in the Hollywood-Mailman building to discuss the way forward** (please make an appointment).
